

Course name:	Engaging the 21st Century Student			
Date:	Apr 25, 2013			
Course objectives:	Learners will be able to create activities to engage students. Learners will be able to develop content for face to face, online or Hybrid classes.			
Module 3		Absorb	Do	Connect
Topic:	Social Media in the classroom (Twitter & Pintrest)	Something that the where the students absorb the content:	Something that the students do to solidify learning: play a game, practice activity, case study.	A place for students to connect what they are learning to real life.
Learning Goal:	To use social media in a way that will engage students and help the student become active participants.	Reading a chapter, watching or listening to a presentation, reading an article, guided tours		This should not be any new information: Reflection, telling stories, scavenger hunt.
Learning Objectives:	Upon completion students will be able to : Use hashtags in twitter for discussion. Set up pin boards and pin content for use in class.			
Face to Face activities:			Learners will set up Twitter and Pintrest accounts. Learners will participate in a synchronous Twitter discussion during the class. Students will also search for and pin content to pin boards.	
Resources/Tools			Access to computers with an internet connection in the lab. twitter.com pintrest.com Twitter hashtag to be used:#CTE-SU13	
Remote/Online activities:		Watch twitter in plain english and intro to Pintrest video, read articals about Pintrest and twitter use in education.		On the course discussion board learners will, share their experience, a link to their pin boards, and explain how they will use either Twitter or Pintrest in their class.
Resources/Tools		http://youtu.be/ddO9idmax0o ; https://www.youtube.com/watch?v=oJzD4vF5dFA ; http://eduniverse.org/why-pinterest-higher-education-can-work ; http://digitalcommons.liberty.edu/cgi/viewcontent.cgi?article=1205&context=educ_fac_pubs		Discussion board in LMS (Blackboard)
Assessment:	Learners will discuss how they can use these tools with others in the class. Learners will also share links to their pin boards, for a certificate of completion
